

CSI Effect Theory

Name: _____

<http://projects.nfstc.org/csieffect/>

Directions: Answer the following questions using 5-7 complete sentences. Provides at least 2 specific examples.

1. What is the CSI Effect?
2. How does it affect prosecutors?
3. How does it affect the defense?
4. How does it affect the judge?

5. Now that you know about the CSI effect, choose one of the above roles and explain from what you learned in this activity how you could help jurors overcome their CSI effect bias? (Write 10-12 sentences)
